

# FÈVE PENDANT LAMP

*At last, thanks to Gone's, you can say "I have the 'Fève'!". Already assembled without nails or glue; it's like a kids' play. Switch it on, and there you are, simply and elegantly it sheds a warm light through its wooden box. You are moved.*

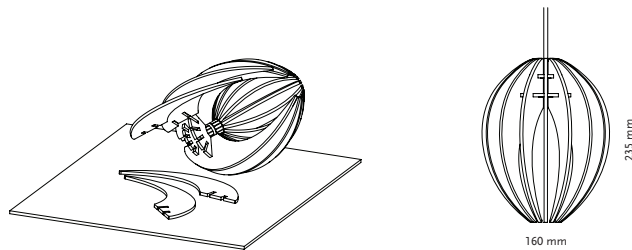

## CONCEPT

Fève: her shape gave her name! It's in a playful spirit that its 18 wooden parts fit together in order to illuminate your interior. The ceiling rose is made in a light and clear concrete, for a perfect contrast with the lamp itself.
